AN INVITATION FOR MEMBERSHIP

The Georgia Charter Schools Association is the only statewide membership organization for charter school founders, board members, operators and advocates. Since it was founded in 2001 by school operators, GCSA has worked tirelessly and effectively on behalf of charter schools and the overall charter school movement. Our mission is “to improve student achievement and promote educational choice by serving and advocating for public charter schools in Georgia”.

GCSA actively supports public charter schools through legislative advocacy, technical assistance, professional development, discounted products and services and networking opportunities. Through membership in GCSA, your school will have access to a wide variety of benefits and services available only through GCSA, including the following:

- Advocacy for public charter schools before Georgia’s legislature
- E-communication and weekly newsletters with the latest information on critical charter-related issues.
- Statewide charter school conference which brings in charter leaders from around the state and nation to assist you and your school’s vision.
- Professional development and training for your staff
- Sponsors Section on GCSA website (coming soon)
- Exclusive “Members Only” access to the GCSA website
- The GCSA Legal Defense Fund, a revolving loan pool to help charter schools

GCSA is an independent voice for charter schools. Our founders have started some of Georgia’s most successful charter schools. We understand the unique challenges and opportunities that charter schools face on a daily basis.
