Statement signed by participant acknowledging full commitment to the program including: active participation in all training sessions, self-paced e-trainings, reading assignments, simulation or and activity assignments.

Resume including current employer and all past employers since college, education, certifications or licenses, professional affiliations

Three short essays (250 words or less); one in response to each of the following prompts:

- 1) *“After the quality of a school’s teachers, the quality of a school’s leader is the most influential factor affecting student learning.”* (Leithwood, 2005). In what ways do you believe a leader is responsible for influencing teacher effectiveness, student achievement, and ensuring a high quality school?
- 2) Describe and provide specific evidence how you have or will establish a school that produces high student achievement and sound business practices.
- 3) What makes you a strong candidate for this program? What would you offer other participants? What unique perspectives or experience would you bring to this opportunity?
